

1- Treasure HUNT

First to spot 6 given items

(could be a brown dog with a white patch, a man with a backpac etc.)

Car BINGO

First to spot 6, 9 or 12 given numbers

(players can pick numbers between 1 and 49. Numbers can't be a part of a large number)

Music QUIZ

Name the song or the artist

(1 point per correct answer. You can use "Best off" play lists per decade or genre!)

Cloud GAME

Spot animals or objects in the sky

(works best with white fluffy clouds. 1 point per image. Must be witnessed by another player)

Alphabet STORY

Make a sentence with each word starting with a different letter of the alphabet

(in order or not)

14

no screen games to play on the road

Popping PENGUINS

Make up a sentence with the most words starting with the same letter

(most number of words win. No repetition)

Timed TABLES

Answer correctly time table questions

(1 point per correct answer. fastest to 10 or 20 points win. Play in turns.)

Mime that TUNE

Identify a tune - another player mimes the lyrics with headphones on

(no singing, talking, or humming)

Blind FOLD

Guess where you are on the road from the twists and turns you take

(works best on well known journeys with lots of turns.)

Hold IT

See if you can hold your breath until the end of a tunnel

(subject to your trip involving tunnels. Great through France and Italy)

UN+Fortunately

Create a story where one person says one "fortunately" line, the next one adds a funny "unfortunately" one...

Pub CRICKET

Spot pub signs, count no. of limbs in the pub's name and score

(Best for countryside trips. 1 point per limb!)

Heads and Tails

Fastest to think of an animal starting with the last letter of the previous name

(also works with countries, cities...)

Half and HALF

Make up funny fictional animals combining half the names of 2 real ones

(then describe what they would be like)
